

**CATAMARAN ALIZE**

**CHARTER GUESTS PREFERENCE SHEET**

Dear guests.

We are very excited about having you, your family and/or friends with us soon. We will do everything we can to make your stay on board **ALIZE** a memorable one. You can help us very much by filling out this form as a Group in the most comprehensive way possible. Please bear in mind that what we need to know is not so much your individual likes and dislikes in your everyday life at home as the likes and dislikes of The Group as it pertains to your upcoming sailing vacation with us. Please take into consideration that, even though **ALIZE** is a very comfortable and well equipped catamaran, on a boat there are always limitations in relation with how much storage and refrigeration space is available so it is very important to be as efficient as possible in the provisioning. We highly recommend you get together as a family or group of friends and talk about your individual preferences in relation with food, beverages, activities, destinations, schedules, etc. and come up with alternatives that all of you like instead of simply listing what each person prefers. This will be very helpful for us and also for The Group in preparation for your upcoming cruise with us. Please feel free to email or call us at any time if you have any questions.

See you soon!
